Important Information for Players Rated Around 1300

If your rating reaches or exceeds 1300 at any time between 1 November 2012 and 29 March 2013, you are eligible to play in the Masters division if you so wish. However, as indicated on the flier for the 2013 Australian Championship, it is not a requirement that you register *while* your rating is 1300 or above. If your rating is below 1300 at the time you are registering, but had been at or above 1300 at any time since 1 November 2012, please show - in the comments section of the registration form - details of a tournament that proves your eligibility. If you qualify after you have registered, please provide proof to ASPA Queensland before the close of registration.
